Welcome to the Grand Narrows Hotel!

The Grand Narrows Hotel is located on Cape Breton Island, Nova Scotia, Canada. Standing prominently on the eastern shores of the Barra Strait on the Bras d'Or Lakes, the Hotel (circa 1887) is intrinsically tied to the rich history and culture of the area and is an enduring testament to the era in which it rose.

Our location on a large beachfront property ensures guests can enjoy swimming in the clean, crystal waters of Bras d'Or, the largest and most beautiful salt-water lake in the world.

A quiet country road hugs the shoreline and two natural marshes provide shelter to abundant birds and wildlife. Eagles soar overhead as you relax on the large front deck overlooking the water, watching the sunset over Iona in breathtaking colors.

Room rates are based on double occupancy and include breakfast. All rooms are furnished with a comfortable bed and are equipped with a ceiling fan and hair dryer. For your entertainment, in the reception area we offer satellite TV, VCR movies, & Internet access.

The included breakfast consists of fresh-baked biscuits, muffins, blueberry pancakes, homemade jams, fresh fruit, juice, and of course, fresh-brewed coffee or tea.

This full-breakfast is served in the dining room where you will have a chance to meet the other guests and relate your experiences and ideas. (After all, these are the same rooms where the great minds of Alexander Graham Bell, Sir John A. MacDonald, "Baird" Hector MacKenzie, and Helen Keller once shared their ideas & experiences.)
